HOW DOES A COMBINED EVENT POINTSCORE WORK?

Results for the Combined Event are determined by a multi-event pointscore. To better understand how the different events are scored, go to www.lansw.com.au, then "Competitions", "Championships", "State Multi", then "Multi-Event Scoring Tables".

UNIFORMS DELAYED

Unfortunately, we've been notified that the uniforms we've been expecting have gone missing during shipping. The supplier has re-ordered them but the wait begins again. We have no size 4 to 10 singlets.

RACER BACK CROP TOPS

A short while ago, following requests from senior female athletes we now have some racer back crop tops in sizes 14 to small adult.

RTAC CURRENT CENTRE RECORDS

On the back of the noticeboard on the verandah are our current Records. As we progress through the season, the Records will be updated as our athletes challenge them.

BREAKING RECORDS

Just a reminder about verifying new records. The current records are noted at the top of the field event column on the Result sheet on your age board. If you notice an athlete's jump or throw has bettered the current record, you need to immediately find a Committee member to verify the record before anything further is done at the event.

AGE BOARD EVENT SPECIFICATIONS

Just a reminder that under the Result sheets are the specifications for the field events for your group. Inside the cover of the folder is also a copy of the events for your group's 6 week rotating program.

HAVE A BANANA!

As part of Coles' major sponsor of Little Athletics, they donate bananas to athletics centres all over Australia. Every week we have bananas for our athletes to enjoy during Saturday mornings. There is usually sufficient for families to also enjoy.

COLES SHIRTS

On the verandah table are a few size 14 Coles shirts left over from a promotion last season. Please help yourself.
